

BESPOKE INSTALLATIONS

BESPOKE INSTALLATIONS

The company offers site surveys, technical specifications and installations. Here are examples of recent additions to the Bedford portfolio.

Bedford manufacture custom made workbenches, workstations, trolleys and cupboards in steel and stainless steel for specialist applications. These can be flat pack or built up items ready to be worked on or with.

We offer a comprehensive project management service including:

CUSTOM DESIGN

TECHNICAL DRAWINGS

CUSTOM MANUFACTURE

INSTALLATION

ONGOING SUPPORT

including spares and additional requirements
