

Perfo® System

The Perfo® system is the ultimate in modular space-saving storage for tools, small parts and consumables. The vast range of accessories available make Perfo® storage exceptionally versatile and flexible - panels and accessories can simply be added as storage needs change.

Key features..... 92

models:

Perfo® & combination panels..... 93

Perfo® panels with hook kits..... 94

Perfo® hook kits..... 96

Perfo® accessories..... 98

louvre panels..... 105

louvre accessories..... 105

louvre panels with bin kits..... 106

Perfo® wall..... 108

Perfo® panel trolleys..... 109

Perfo® wall cupboards..... 113

Perfo® tool butler..... 115

plastic storage bins..... 116

transparent tilt boxes..... 118

key features

- Panels can be mounted side by side – the 38.1mm Perfo pitch grid remains the same to allow fixing of accessories across adjacent panels
- Panels feature reinforcing back strips for durability and rigidity
- Perfo® trolleys and tool butlers allow stored items to be transported to where they are needed
- Perfo® cupboards provide space-efficient and secure tool storage
