

## Health & Safety Equipment

# Hazardous Substance Storage

Providing safe and secure storage of hazardous materials these cupboards are designed to help you comply with HSE laws and guidelines.

Two styles are available. Sump models feature perforated shelves for drainage with a collecting sump in the base. Sealed shelf models collect spills directly in the shelf.

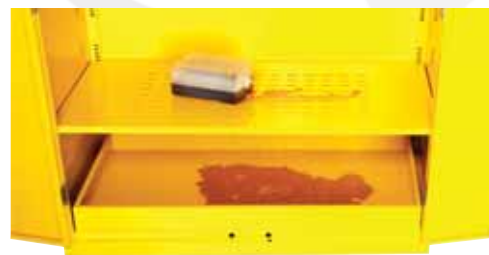

All models feature welded steel housings with lockable doors and shelves adjustable in height on a 12.5mm pitch.

Standard finish is RAL1023 safety yellow epoxy powder paint.

**A**

## Drainage Shelf & Sump

Perfect for higher risk items and storage of large volumes of liquids, powders or granules.

The perforated drainage shelves allow spills to pass through to the sealed base sump.

The sump is removable to assist the clean up of spilt materials.

Drainage Shelf.

Base Sump.

Model	Dimensions (W x D x H) mm	Shelves	Order ref.	Price £
A	1000 x 500 x 2000	4	100 18 727.12	454.53
B	1000 x 500 x 1000	2	100 18 724.12	295.39
Extra drainage shelf			121 01 030.12	21.80

## Sealed Shelf

C

Best suited to lower risk items and storage of small volumes of liquids, powders or granules. The sealed shelf contains the spill.

To empty the shelf attach a pump via the access hole. (It is recommended this is done without removing the shelf from the housing.)

The inner tray may be removed for cleaning.

D

Model	Dimensions (W x D x H) mm	Shelves	Order ref.	Price £
C	1000 x 500 x 2000	4	100 18 728.12	506.85
D	1000 x 500 x 1000	2	100 18 725.12	312.83
Extra sealed shelf			121 01 029.12	43.60

All bott hazardous substance cupboards are provided with safety labelling in accordance with U.K standard BS5499-5:2002

# First Aid & PPE Storage

Dedicated storage areas promote good house-keeping of First Aid and PPE equipment making stock control easier and ensuring supplies are in good condition when needed.

## PPE cupboard:

A lockable storage centre for clothing and related items. A central vertical divider separates full height hanging and shelving areas. A hanging rail and four adjustable shelves are supplied.

Standard colour scheme is RAL7035 grey with RAL3001 red doors and drawer fronts.

## First Aid Workstation:

Ensure your equipment is readily available if accidents happen. Finished in modern RAL7035 light grey and complete with First Aid labelling.

Please note due to the wide variety of requirements, First Aid supplies are not included with this item.

Type	Dimensions WxDxH (mm)	Contents	Order ref.	Price £
First Aid Workstation	500 x 500 x 1100 / 1750	150mm drawer, 725mm cupboard with shelf	100 01 125.16	323.73
PPE Cupboard	1000 x 500 x 2000	4 adjustable shelves, hanging rail	100 18 195.04	556.99

All equipment is shown in its standard colour scheme, alternative colours to match the rest of the bott range are available. Please ask your dealer for more details. Please ensure that all relevant guidelines and procedures relating to storage of health and safety items for your particular working environment are adhered to.
