specialist work stations

Medical Work Station

Under the Health and Safety Regulations 1981, workplaces must have first aid provision. To satisfy a wide range of first aid equipment we have designed an attractive and highly visible Medical Work Station for your working environment.

PPE Work Station

Personal Protection Equipment is mandatory in many working environments (PPE at Work Regulations 1992 Part 5). Controlling and storing your safety equipment will be more effective in this specially designed Probe PPE Work Station.
