## STORAGE DESIGN LIMITED are a Business to Business supplier of Quality Storage Systems and Materials Handling Equipment

Storage Design Limited® has the largest selection of dedicated storage systems and materials handling equipment available from one source, many manufactured here in the UK. We now have even more choice across ten product sections. The information including the prices are kept up to date, but if you would like further background information please send for our [hardcopy catalogue SD16 \(2008\)](#).

We are adding to our product range all the time and the website is an ideal way to keep up to date with Storage Direct. Currently we are having to update prices due to Steel surcharges, If there is a price increase we will advise before accepting an order.

However if you're looking at a larger project or for a product to be made to your specification please [Contact Us](#) and we will be only too pleased to assist.

The Storage Direct range includes [shelving](#), [racking warehouse projects](#), [storage containers and bins](#), [cabinets](#), [handling containers and pallets](#), [trucks and trolleys](#), [workshop benches and tool storage](#), [office furniture and storage](#), [health and safety](#), [waste and environment](#), even [steps and ladders](#).

Please take a look at our Special Offers area for details of our latest reduced prices or monthly product deals.
