

SITE SECURITY / SECURITY ENCLOSURES

Expanded Mesh Security Enclosures

✓ A popular series of fully welded cages for storage of all manner of high value stock

- Economically priced cages in 800mm and 1600mm high designs
- Contents visible - ideal for safety products and high value stock
- 40 x 40 x 3mm steel frames with mesh infill welded in position
- Flattened mesh shelves and base panels
- Hot dip galvanised to BS 729 or polyester powder coated
- Supplied complete with security padlock
- Optional castors for mobile applications

Expanded Metal - the Benefits

- Low cost system
- High impact resistance
- Resists the most determined vandal attack
- Sharp V-shape apertures mean cages are difficult or impossible to climb upon
- Full visibility through mesh
- Totally durable when galvanised or colour coated

POLYESTER POWDER COAT COLOUR OPTIONS

Red 3020 Yellow 1003 Blue 5010 Black 9005 White 9016

– all other RAL colours are available to order!

Shelves

Mesh shelves are included with the two taller cages, sizes GC1 & GC2.

Castors

Enclosures may be made mobile by adding castors. These are fitted in sets of four or six as necessary, always with two braked wheels.
