## Double Skin Partitioning

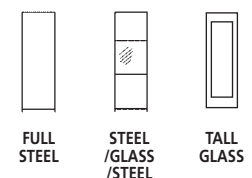

- ✓ Ideal for creating offices in commercial locations as well as creating cleanrooms in factories or warehouses
- ✓ Quality finish, flush both sides
- ✓ Fire protection and noise reduction options are available
- ✓ Hidden cable management
- ✓ Double glazing available with blinds
- ✓ Can be multi-tiered with steel or conventional suspended ceilings available

### Excalibur Sections

### Toledo Sections

- ✓ Toledo - two line junction keeps dust traps to a minimum
- ✓ Powder coated finish is ideal for clean environments
