

Kanban Small Parts Shelving

✓ The ideal solution for your line-side small parts storage

- Sloping steel shelves allow for bins to locate one behind the other, so as an empty bin is removed the full rear bin slides forward ready for use
- 2 Standard bay options available, each complete with sloping steel shelves and 2 chipboard storage shelves
- Blue containers as standard (other colours available)
- Finish - posts are epoxy powder coated blue and beams epoxy powder coated grey
