✓ Slip resistant and fatigue reducing, a boost to productivity

VYNAGRIP is comfortable to stand on and its deeply etched slip resistant surface reduces accidents, even when used over rough or problem floors. Manufactured from grid-welded PVC it is extremely hardwearing and it allows debris, dirt and liquid spillage to fall through or drain away.

- Reduces fatigue, which boosts productivity
- Hardwearing and maintenance free
- Hygienic, oil resistant and simple to clean
- Simple to join or cut to shape

VYNAGRIP modules are also available in one standard size, 1.5 x 1m, with flexible PVC edging welded to three sides. This enables a flush fit against machinery, service counters or any work area.

ROLL DIMENSIONS W x L (m)	FULL ROLL		PER LINEAR METRE	
	REF	PRICE	REF	PRICE
ROLL 600mm x 10m	VYN060/10	£343.00	VYN060/M	£54.00

✓ Hardwearing and slip-resistant

HERONAIR is made from extremely hardwearing flexible PVC – with tubular top surface and underbars to create maximum cushion comfort underfoot. HERONAIR is a highly slip-resistant, insulating and economical alternative to conventional duckboards, and can be laid on any type of floor with no fixing required.

- Contours to uneven floor surfaces
- Impervious to most acids, oils and chemicals
- Easily cut to shape or size
- Cushioned surface reduces fatigue
- Liquid spills drain away
- Supplied only in black

✓ Helps prevent breakage and spillage problems

When you're busy, the last thing you want to have to do is to stop to mop up a spillage or to replace a broken tool or component. FLOORLINE'S cushioned slip-resistant PVC grid not only reduces breakages, but it raises people slightly above floor level, so any spillage will drain through where it can be cleaned later.

- Robust, tubular cushioned flexible grid structure
- Hygienic and hardwearing
- One-piece, lightweight format makes it easy to roll up for cleaning

ROLL DIMENSIONS W x L (m)	FULL ROLL		PER LINEAR METRE
